

20/20 Hot Lists

Right now potential customers you emailed via Foureyes 20/20 are researching your inventory online. But, how do you know these hot prospects are back on your site?

Enter the 20/20 Hot List—with up to 5 prospects who viewed your inventory in the last week.

1 Who are these prospects?

Contacts who recently viewed vehicles on your website. Just click their names to see more details and follow-up.

2 What did they do?

Check their recent activity and lead action to see what these prospects did on your website.

3 What do I say?

Check their recent activity to find out what they've been looking at on your website to nail your follow-up.

4 What about the other people shopping?

To get a complete list of the prospects active on your website, click to learn more about Foureyes Sales Enablement.

Prospect	Recent Activity	Last Lead
