

**Reynolds and Reynolds CRM Addendum
to Foureyes Terms and Conditions**

This Reynolds and Reynolds CRM Addendum ("Addendum") amends the Foureyes Terms and Conditions or the Foureyes Dealer End User License Agreement, as applicable, in effect between Foureyes, LLC ("Service Provider") and Client identified below (the "Client") under the Services Agreement entered into between Foureyes and Client (the "Agreement") and is effective as of the date of the Services Agreement.

WHEREAS Client acknowledges that certain of the Services provided to Client involve the use of an interface integration with Client's instance of a CRM provided by the Reynolds and Reynolds Company ("Reynolds"). Client further acknowledges that Reynolds is now requiring that Service Provider obtain certain commitments from Client, and therefore, the parties agree to amend the Agreement as follows:

1. Amendment to the Agreement.

The Agreement shall be amended as follows.

A. The following wording is added to the end of the Section entitled "CRM Access": **"Client agrees that (a) Client shall only use the Services in connection with Client's own CRM instance that is covered under the applicable Services Agreement; (b) Client shall not copy, disassemble, decompile, and/or reverse engineer any aspects of the Services, including without limitation any technology, methods, documentation or processes of the Reynolds interface embodied therein (the "Reynolds Interface"); (c) Reynolds reserves all rights, title and interest in and to the Reynolds Interface; and (d) Client will not (i) transfer to or allow third parties to access to the Reynolds Interface embodied in the Services; (ii) lend, lease, sublicense or pledge the right to access or use the Services, including the Reynolds Interface; nor (iii) provide outsourcing services involving the Services and/or the Reynolds Interface."**

Except as expressly set forth in this Addendum, the Agreement shall continue in full force and effect in accordance with its terms. If there is conflict between this Addendum and the Agreement, the terms of this Addendum will prevail. This Addendum may be executed in any number of counterparts, and may be executed and delivered via electronic mail (including pdf or electronic signature).
