

Terms of Service

1. Foureyes provides a software tool that acts as a sales assistant. This may include interacting with you via text messages powered by the Foureyes software tool.

2. Choices and Controls

Consent to receive automated marketing text messages is not a condition of any purchase. You can opt-out of receiving further commercial text messages from the Foureyes software tool for the applicable automotive dealer by responding to any of the text messages with any of the following replies: STOP, END, CANCEL, UNSUBSCRIBE, or QUIT. For additional opt-out information, please review details provided in the [Foureyes Privacy Policy](#). After you send the SMS message "STOP" to the applicable text messaging number for that automotive dealer, you will receive an SMS message to confirm that you have unsubscribed. After this, you will no longer receive SMS messages from the Foureyes software tool on behalf of the identified automotive dealer. If you want to join again, just sign up as you did the first time and you will start to receive SMS messages again relating to the applicable automotive dealer. For additional opt-out information, please review the [Foureyes Privacy Policy](#).

3. If you are experiencing issues with the text messages sent through the Foureyes software tool, you can get help directly at support@foureyes.io. Please identify the applicable automotive dealer that relates to the messages that you need help with.

4. Carriers are not liable for delayed or undelivered messages

5. As always, message and data rates may apply for any messages sent to you from us and to us from you. Message frequency varies. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.
